

**JAMES BARTON, BLACKSMITH  
FERRISBURG HOLLOW, ADDISON COUNTY VERMONT – 1828-1832  
INDEX TO BLACKSMITH LEDGER by Judith Smith Magons, May 12, 2007**

Index prepared by Judith Smith Magons for the James Barton Blacksmith Ledger, kept by him and brought to Crawford County, Pennsylvania about 1843 when the family settled in the Beaver area. James Barton was my great-great grandfather. Other account books may still exist, but this was the one I photocopied for my use in 1970, with permission of the late owner, Ruby Irish Ericksen, a granddaughter of James Barton. The current location of the original account book/ledger is unknown.

**I am happy to share information from the ledger if you understand these comments:**

Some pages are missing.

Spelling is intended to match the original written text.

Users are reminded to look for more than one spelling.

Replies to emails will be made in order of receipt, according to volume.

Answers may include the date available for a surname entry, and the business done that day.

If you locate a surname that appears in the index, please inquire of **one** surname per email. Sound-alikes may be considered the same surname, i.e., Barnes, Barns.

See also the last page of the index for additional information.

**Only ONE surname per request, please.** More than one surname in a request cannot be answered.

Requests for surnames not appearing in this index cannot be answered.

Please do not send research requests; I do not do research at this time.
